

**National Carbon Monoxide
Awareness Association**

2023 CO Safety Summit

<http://coalition.ncoaa.us>

About NCOAA

The National Carbon Monoxide Awareness Association (NCOAA) is a non-partisan, grassroots, civic-minded organization that is focused on eradicating carbon monoxide poisoning and helping carbon monoxide poisoning survivors recover to lead a happy, healthy, and productive life.

Our vision is an end to carbon monoxide injury and death.

The CO Safety Coalition

The Coalition is a collaborative group of working partners focused on improving carbon monoxide safety. It will bring together professionals, survivors, advocates, and more from every sector that is touched by carbon monoxide poisoning. We will work together to impact codes & standards, regulation, products, public awareness, and more. Membership in the Coalition is free.

About the 2023 CO Safety Summit

NCOAA is proud to launch the CO Safety Coalition at NASFM's 33rd Annual Fire Prevention & Safety Symposium. This dedicated CO Safety Summit is focused on education, research, case studies, data, new technologies, and best practices.

Attendees will have the opportunity to network with 300+ fire marshals and fire service professionals, 70+ carbon monoxide professionals, community risk reduction experts, and more!

The Coalition consists of four Working Groups, and these groups will form the foundation of our Summit agenda. Each Working Group will be represented in a 3 hour block consisting of presentations, testimonials, and collaborative discussions.

- Codes, Standards, & Regulations
- Emergency Response
- Science & Innovation
- Surveillance Data

CO Safety Summit

July 31-August 2, 2023

Hotel Ballast, Wilmington, NC

Expenses

The attendee registration covers only the cost of food and conference space.

The remaining cost of the CO Safety Summit includes:

- Staff time and travel
- Educational materials
- Speaker recruitment
- Networking reception/silent auction
- Signage
- Event promotion

Budget

We are seeking \$25,000-\$60,000 in support for the Summit. We are cutting costs at every opportunity, and your support will help us plan a stellar event with world-class researchers and innovators who will share their knowledge. The networking reception is a valuable time for NCOAA and its board to get to know the attendees and engage them in the work of the CO Safety Coalition.
